Grace and peace be with you! We hope you are enjoying this beautiful summer.

We are now entering our fourth year of FRATERNUS at Our Lady of the Lake Parish in Hendersonville, Tennessee with 54 Brothers and 15 Captains. While the number of boys has been very encouraging, the real blessing has been the increase in the level of mentorship of our Captains to these young men. Watching the men and boys enter fully into the sacramental life of the Church and growing daily in their pursuit of virtue has been amazing. Without a doubt, the past 12 months have brought countless blessings, and Bishop Choby continues to give FRATERNUS his support and blessing.

In reality, very few boys ever have the opportunity to be part of a brotherhood like FRATERNUS. We are actively seeking young men both inside and outside of our parish to bring this opportunity to them. The program does have costs associated with it. Our resources, training, and support are all funded by benefactors every year. As a non-profit, we are seeking to raise awareness about our program and invite others into our mission.

The “Friends of FRATERNUS” benefit dinner is scheduled for Monday, August 12th. You are invited to be part of this beautiful and blessed night which begins with a welcoming reception at 6:00 PM in the Narthex of Our Lady of the Lake church. The reception will be followed by dinner in the social hall, hosted by our FRATERNUS Brothers. During dessert and coffee, a presentation about FRATERNUS and an appeal for your support will be given. With a goal of \$20,000 for the night, we hope to have 18 table hosts and 186 individuals in attendance. We would be honored for you to be part of this year’s FRATERNUS Benefit Dinner. To reserve your seat, please contact us or your table sponsor. We look forward to speaking with you soon, and in the meantime, be assured of our prayers.

Sincerely yours in Christ,

St. Joseph School Now Enrolling PreK-8th Grade

St. Joseph School in Madison is now enrolling for the upcoming school year. For more information please call the school office at 865-1491 or visit our website at www.stjosephnashville.org. "Incoming students from St. Joseph this year eclipsed the average applicant's score in every subtest on the placement test for admission to JPIL. This year's JPIL seniors who hailed from St. Joseph four years ago are graduating with an average grade point average (GPA) of 3.5. Current juniors, sophomores and freshmen from St. Joseph have average GPA's between 3.48 and 3.51. These consistent performances show that St. Joseph kids are well prepared for the work here. Perhaps more importantly, they come with the right habits of learning—and that's not only true for SJS top students; it's true for SJS students for whom school is harder." **Faustin Weber, Headmaster Pope John Paul II High School**

If anyone would like to add names for prayer, please call the office (338-3901). Names are left on the list for four weeks.
