### **Jubilee Year of Mercy July 17, 2016 Sixteenth Sunday in Ordinary Time**

Last Sunday's "Good Samaritan" parable concluded with Jesus' command: Go provide hands-on mercy to the next person you meet, no conditions, no limits, no exceptions. But today, Jesus seems to criticize Martha's hands-on mercy of hospitality, while praising Mary's "hands-off" as "choosing the better part" (Luke 10:42). Mary sat listening (10:39), leaving Martha "burdened with much serving by herself" (10:40). So, is the contemplative life of prayerful silence "superior," but the active life of earning a living, raising a family, running parishes, schools, hospitals, and social service ministries "second-class" discipleship? No; Jesus' example is not either/or but both/and: silent communion with God, boundless compassion for people. If we do not seek Jesus in silent prayer, how will we find Jesus in all others? If we do not serve Jesus in others, will our worship, despite its beauty, be anything but empty ritual? This *Jubilee Year of Mercy* offers us Jesus' two-fold challenge: both "go and do" and "sit and listen."

Hello! I am Emily O'Neal and although I've lived in Hendersonville my whole life, I am a recent convert to the Catholic Church. I am going to be a full-time Catholic missionary working with the Fellowship of Catholic University Students (**FOCUS**) which works specifically on college campuses here in the United States battling the spiritual poverty which is so present there. I am spreading my ministry around the community and would love to meet more of the parishioners! Since I am a recent convert, I have not had the chance to meet to many fellow Catholics and I would love to get to know you all better. If you are interested in learning more about the ministry (or just meeting me), please feel free to contact me through email or just give me a call! I hope to talk with you soon.

## Building a brighter future for the children of St. Bertin School

### Please make a donation for St. Bertin School

The purpose of this campaign is to enable the ongoing operation of St. Bertin School, including primary school and a new secondary school beginning this school year in September.

### With your help, a dream has come true!

Last year, OLOL donations funded the start-up expenses for the new secondary school. This year, students will be able to continue their education beyond 6th grade, an opportunity many of them have not had until now.

### We need your continued support!

With your help, more than 600 students will benefit from the priceless gift of a Catholic education and the teachers and staff of St. Bertin School will be paid a worthy wage, helping them to support their families.

Please pray for the people of St. Bertin and the success of this campaign.

For more information, contact Diane Huggins at 615-476-2667.
