Father Eric Fowlkes baptizing at last year's Easter Vigil

Blessed be the God and Father of our Lord Jesus Christ! By his great mercy he has given us a new birth into a living hope through the resurrection of Jesus Christ from the dead,
- 1 Peter 1:3

In this you rejoice,[a] even if now for a little while you have had to suffer various trials, 7 so that the genuineness of your faith—being more precious than gold that, though perishable, is tested by fire—may be found to result in praise and glory and honor when Jesus Christ is revealed.
- 1 Peter 1:6-7

Dear Friends,

As I write this letter, I am aware of the signs of spring emerging all around us.

This is a good time to reflect on those things that we as a community associate with the coming of this season of hope. The first is Easter. I trust that our communal Lenten journey has led each of you to the joy of the resurrection of our Lord and Savior. And in a special way, that our newest Catholics, those who have come through this year's RCIA class, will experience the joy of Easter in a new and profound way.

The second is the excitement surrounding the signs of new life that are also evident as we approach the completion of our new addition. This is promising to be a beautiful space in which to celebrate more fully as a parish family, the presence of God in our midst. Please watch for an invitation to a communal dedication and blessing of our new addition in the near future.

As we welcome spring, let us rejoice in signs of new life, new sacred spaces, and new spiritual insights into the awareness of God's great mercy in our lives!

With blessings of joy and mercy,

Your Pastor,

Father Eric

Forward in Faith Campaign

By Diane Huggins, Chairperson

This year, we will reach a significant milestone in the history of OLOL with the successful completion our building expansion project. We can all look forward to a grand celebration when we dedicate our beautiful new facilities in the late spring.

We want to thank everyone for your faithful support of our Forward in Faith capital campaign, which has made this exciting project possible.

Here are some exciting statistics about the progress of the campaign:

- ◇ Since October 2015, we have received an additional \$100,000 in pledges from 50 families.
- ◇ To date, 1000 families have pledged \$5.3 million toward our goal of \$6 million, and \$3 million has been collected in pledge payments and donations.
- ◇ 20% of families who made pledges (206 families) have already fulfilled or exceeded their original pledge commitment.

Please join me in a special prayer of gratitude for the incredible generosity of those who have given in faith for the benefit of our entire parish community.

Please keep in mind that reaching our \$6 million goal continues to be important. We must now pay for furnishings and equipment for the new space and manage the operational expenses and long-term debt for our new facilities on an ongoing basis. Remember, if you have not yet given to the Forward in Faith capital campaign, it is not too late to do so.

If you have any questions, feel free to call me at 615.476.2667.

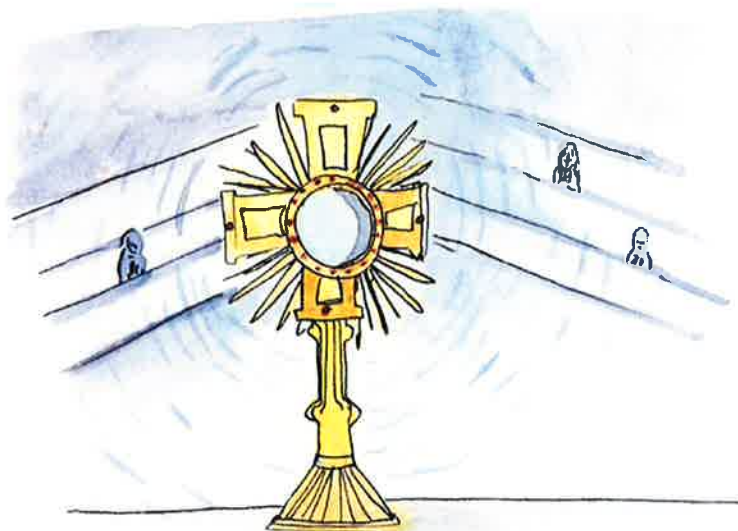

Building Expansion

by Therese Casler

**OLOL Building Committee
Chairperson**

Are you excited as you watch the progress of the expansion project? We are going into the home stretch and should see completion by early May (of course, weather permitting) with a dedication celebration soon after. Our vision was to have the multi-purpose hall and the sanctuary bookend the education halls and youth room, and it looks fabulous. The architect firm and contractor have done a fantastic job of matching materials, especially on the exterior, of the addition to the existing facility as if it was always there.

The contractor plans to have asphalt poured to give us additional parking by Easter. Hooray! We will also offer another guided tour sometime in early April. Watch for announcements with the date and time posted in the bulletin. Many, many thanks, once again, for your patience during construction and for your ongoing financial support of this wonderful new addition.

Blessed Sacrament

Eucharistic Adoration

Did you know?

Our parish provides you with an opportunity to spend an hour a week in the presence of Jesus in the Blessed Sacrament exposed in a monstrance. This devotion - Eucharistic Adoration - involves two parishioners spending an hour each week from Monday at 10 AM to Saturday at 5 PM.

"Eucharistic Adoration has recently seen a rebirth in our churches. At Adoration, the Eucharist is exposed in a monstrance, so Christ can be publicly adored. We pray in Christ's presence, either privately or in community, and we answer His pleas to "watch and pray" with Him (Mt 26:41)." - Tennessee Register

Venerable Bishop Scalabrini (d. 1905) said, "Adoration! It is no little comfort to me, I confess, when before the Tabernacle, I think that all those whom I have loved (and have passed) are adoring with me the same God; they—face to face, I under the mystic veil. Members of the Church Triumphant and the Church Militant, we are kneeling before the same Redeemer, the same Father."

Did You Know?

The first recorded Adoration was in Avignon, France in 1226. The Blessed Sacrament was displayed after a victory as a show of Thanksgiving. The display went on continuously and was approved by the Pope.

Adoration Sign-ups

We strive to have two adorers each hour (for vacation, sickness, etc. relief). The list of hours where we currently need a second adorer is on a table in the Narthex along with a signup form.

The OLQL Fraternus Chapter at Cumberland Caverns

You Didn't Miss Fraternus Excursion Number Two, Did You?

by Tom Mikulski

Your Fraternus chapter just completed Excursion #2 to Cumberland Caverns in Tennessee. As we typically do, we met two other chapters in the Nashville area and enjoyed two days of brotherhood, marveling in God's creation. The Fraternus team does amazing things with the Church youth. When you bring boys out into creation, they become more open to the Creator. You truly reach into the hearts of these young men. This experience of the outdoors is needed in a world saturated with media and materialism, especially in the teen years. Excursions are designed with a common theme and goal, namely, learning about our true identity as men. During the time together, we discuss more deeply how to further our journey in becoming virtuous Catholic men. Approximately 40-50 boys and 15-20 Captains and Dads joined the weekend outing.

We were truly blessed to have the company of Father Tony Stephens who drove in from Cincinnati to join our boys and Captains for the weekend. After watching Father climb trees, get into the cave "box", participate in "comp" time and provide Mass and confessions for us Saturday and Sunday, we realized how blessed we truly are. The Holy Spirit at work! Having Jimmy Mitchell, Project Discipleship Leader, along was also a bonus, as His enthusiasm and connection with the boys is a driving force to our goals of Fraternus.

For those who attended it was a truly rewarding spiritual experience. Mass on Saturday outside the caverns and again Sunday in the caverns was special to all of us. Once in the caverns, the adventure tour, bosco ball (you can see the pit in the picture above) and later "spelunking" were highlights. Not all of us, including your truly, were brave enough to go spelunking but those that did had a blast and learned how to rely on their brothers to get them through the smallest of crevices.

Evangelization

by Vicki Joubert

Lent has always been my favorite time of the Church calendar. My family always makes fun of me because I think about what I will give up way in advance. However, Lent is about so much more than giving something up. In fact, we can get so caught up in the idea of giving something up that we lose sight of what we are doing for our soul during this time. And I am speaking from experience here. Sometimes I get so caught up in the rituals of a season that I forget to really take in what the season is about. I go through the motions: give something up (check), go to Confession (check), no meat on Fridays (check). Don't get me wrong, checking the boxes is important, but Lent is much more than that. It is a precious time that we are given as Catholics to weed and prune the garden of our soul. It is about the end of dreary winter giving way to the spring of new life. Jesus died for us on the Cross and then resurrects giving us new life, giving us Easter to celebrate. And He does this **every year!** Don't just move through the season, this year. Slow down and deeply drink in all that Jesus is offering to you this Lenten and Easter Season.

RCIA 2015-2016

RCIA: Class of the Year of Mercy

by Anna Schoch, *Parish Press*

What do Catholics believe about Mary? What about confession? Oh, and while we are on the subject, what about Communion? And the communion of Saints?

Our RCIA class has heard from Father Eric, Father Thomas, Sister Maria, Patti Deffendall and several other presenters. We covered a variety of topics, including, (but not limited to) the essential catholic teachings, the history of the Catholic Church, the difference between dogma and doctrine, and the gift of the sacraments!

As we have journeyed together, sponsors, candidates and team, we have grown closer to each other and to the heart of our faith, which is Jesus himself!

In his recent book, *"The Church of Mercy,"* Pope Francis quotes the Catechism of the Catholic Church: "the Catholic Church in the world has but one faith, one sacramental life, one apostolic succession, one common hope, and one and the same charity." He goes on to say, "It is a beautiful definition, it orients us well....Wherever we go, even to the smallest parish in the most remote corner of this earth, there is the one Church. We are at home; we are in the family, and we are among brothers and sisters."

At the time of this writing, we are nearly done with our RCIA journey, and yet, we all sense that, "The best is yet to come!" What a wonderful journey it has been, for candidates, sponsors, and team. Therefore, it is with great joy that we as a parish community say to our newest siblings, "Welcome to the family, dear ones!"

We do indeed love you!

In the Gospel the essential thing is mercy...Jesus says this clearly, summarizing his teaching for the disciples: "Be merciful, even as your Father is merciful" (Luke 6:36).—
Pope Francis, September 10, 2014

Year of Mercy

By Amanda Bibb

Merriam-Webster defines the word mercy as "compassion or forbearance shown especially to an offender or to one subject to one's power, lenient or compassionate treatment, a or compassionate treatment of those in distress."

We are currently in the Jubilee Year of Mercy initiated by Pope Francis in December of 2015. This milestone has been very important to the Christians everywhere. It receives a lot of attention from the press, is mentioned in many homilies, and is a frequent subject of conversation with Pope Francis. So why is this event so important? As Christians, should we not always be compassionate and show mercy toward those less fortunate, forgiving those who have wronged us? Yes of course, but if I'm thinking what Pope Francis was thinking (and I'm sure we think alike!), there was a very good reason to reemphasize acts of mercy at this moment in time.

Turn on the TV, and you will see the state of the world. In the United States alone, there is turmoil throughout the country. The response, to major violent events are placing blame, retribution, and further violence. That is just in our own back yard. There is not enough room to discuss world affairs. Speaking for myself, it is very depressing to see these things happening. It is easy to get angry and fall into a negative pattern. Another pattern we fall into is the "I'm too busy to deal with anyone but myself." We sort of withdraw, focusing on ourselves. What Pope Francis has done with the call to mercy is remind Christians throughout the world that they are supposed to be compassionate, loving, and forgiving.

During this year, there is a renewed focused on living like Christ. Think of how things would be different if we reacted differently... compassionately, rather than with anger. When you see something that makes you angry, remember to forgive. If someone has offended you, remember to forgive. As far as being too busy, make time to help those in need. Set aside one day or just a few hours a week to help.

Divine Mercy Sunday

In His revelations to St. Faustina Kowalska, Jesus Christ asked that the first Sunday after Easter be established as Mercy Sunday, the "Feast of Divine Mercy," when His graces will be available in an extraordinary way to all those who ask. On Sunday, April 30, 2000, Pope John Paul II formally announced that the Sunday after Easter would henceforth be known as "Divine Mercy Sunday". Jesus said to St. Faustina, "On that day, the depths of My mercy will be open to all. Whoever will go to confession and Holy Communion on that day will receive complete forgiveness of sin and punishment." What better time to experience this celebration than in the Church's Extraordinary Jubilee of Mercy?

Please join us for a **Celebration of Divine Mercy at 3:00pm on Sunday, April 3**. In preparation for the celebration and to receive the graces promised by Christ, we should go to reconciliation before the feast day, receive Eucharist on the feast, venerate the image of Divine Mercy, place our trust in Jesus and be merciful to others through our actions, words and prayers. Our celebration will include veneration of the Image, Exposition and Benediction of the Eucharist and praying the Chaplet of Divine Mercy. A novena begins on Good Friday and pamphlets will be available in the narthex and adoration chapel.

You can learn more about Divine Mercy Sunday at www.thedivinemercy.org.

We invite all moms to join us on Wednesday mornings from 9:30am-11:30 AM during the school year. Daycare is provided. OLOL Haiti Mission for St. Bertin Update

By Diane Huggins & Therese Casler, Co-chairs

We are pleased to report that, with the support of our OLOL parish family, we continue to make a real difference in the lives of many poor people at St. Bertin in Haiti.

Medical and Dental Missions

OLOL conducted a five-day Medical Mission Clinic at St. Bertin in Petit Bourg de Port Margot, Haiti, from January 16 – 22, 2016. This was the eleventh Medical Mission Clinic since 2003.

Lauren Reilly, RN, headed the 15-person team that consisted of two nurse practitioners, four registered nurses, a medical assistant and eight non-clinical team members. In addition to Lauren, mission team members included:

Peggy Byrne	Darlene Hand
Therese Casler	Lana Karram
Liz Connally, RN	Lisa Manor, RN
Bob Donovan	Michelle Martin, MA
Mary Genung, Nurse Practitioner	Christina Rader
Adria Gibbs, Nurse Practitioner	Cherie Terry, RN
Laurie Gibbs, RN	
Diane Huggins	

This year, the clinic was held in the new St. Bertin medical clinic facility, which was completed and dedicated in September 2015. Almost 1700 patients were examined and treated.

Plans for the Dental Mission Clinic scheduled for Jan. 22 – 26 were unexpectedly changed when the severe snow storm hit Nashville. The dental team was on the runway ready to depart BNA when all flights were cancelled due to the storm. Fortunately, Dr. Tom Heering arrived a day early on Jan. 21 with Doug Blake and Jon Hoscheit to set up the clinic. With instruments borrowed from a dentist in Cap Haitien, Dr. Heering was able to conduct a “one man” clinic, treating approximately 50 patients.

The OLOL Medical and Dental missions are especially important to the people of St. Bertin in the remote village of Petit Bourg de Port Margot, Haiti, who are always grateful to see us and receive needed medical and dental services. We want to thank our dedicated team of volunteers and the entire parish for your faithful support through prayers and donations that make these vital mission trips possible.

2016 Sea Container Shipment

Collections for the 2016 Sea Container Shipment are underway through April 3. COPES, that is, the St. Bertin Parish Council, tells us that the items we send every year are vital to the people, particularly the poorest of the poor served through the St. Vincent de Paul Society at St. Bertin. This year, they have asked us to focus more on food, over-the-counter medicines, school supplies and personal hygiene items rather than clothing. Thanks to everyone who donates items or money to this important mission service.

How you can help. Our mission is made possible through monthly green envelope and other donations. All donations are greatly appreciated. Also, we need your prayers. Please pray for the people of St. Bertin and the success of our efforts.

For more information or to get involved, please call Diane Huggins at 615.476.2667 or Therese Casler at 615.519.1863.

LOL in ACTION

LIFETEEN: We are The Church

"Forgive us our sins, as we forgive those who have sinned against us"

Lifeteen's spring semester focus on The Church has been a great opportunity to look more deeply into how Christ established His Church on earth, why He sent the Holy Spirit to guide us 2000 years ago, and how the work of His Body continues today through each one of us. Since Pope Francis declared this the "Year of Mercy," Lifeteen has been breaking open the topic of Mercy, examining both the Corporal works of Mercy, which are physical in nature and the Spiritual works of Mercy, which pertain to the building up of our souls. We have discussed our understanding as Catholics that God's mercy is a free gift available to each of us, and that, as the Church, we are called to be His agents of mercy in the world.

If you are new to Lifeteen, each Lifelight has 4 parts: Gather, Proclaim, Break and Send. During the "Gather," we introduce new students and play a game. The "Proclaim" breaks open one teaching of the Catholic Church with videos and talks. The "Break" allows time for peer-to-peer ministry in small group discussions with guided questions. The "Send" is our wrap-up with music, final petitions and prayer, followed by dinner. Loving parent teams make and serve dinner for our teens every week. Our goal is to lead teens closer to Christ through our Wednesday night Youth Mass and Lifelights.

Middle School Camp-Camp Hidden Lake

On the high and low ropes course, in the mud pits, as well as in the music, Mass and Confession by the lake, our junior high school students encounter God at Camp Hidden Lake each summer. "My favorite time was morning praise," remembers Lily Manor. "Morning praise" required a long walk at 6:30AM down to the lake, to watch the sun rise between the Georgia pine trees. The reward of such a long walk is to hear young voices singing joyfully to a God who loves them enough to bring them there to rediscover Him in their hearts. Please pray for our junior high teens who will be at camp this summer, May 30-June 4.

Mission Trip-Our 16th Year of Service

Thanks for your support of the youth Christmas Coffeehouse and the Comedy Café. The proceeds from both of these events help more high school students attend our annual Catholic Heart Workcamp Mission Trip. This summer, we will travel to serve the poor in Mishawaka, Indiana, June 12-17th. We will tour Notre Dame University, and spend our fun day at Holiday World in Santa Claus, Indiana.

Altar Servers-You Rock!

Our altar server team is doing such a beautiful job serving at Mass each Sunday. We are so grateful for each student. Thank you for serving the Church. Anyone interested in joining the team can contact Ms. Patti at pattideffendall@comcast.net.

High School Confirmation Class: YOU ARE CHOSEN

If you have moved to Hendersonville from a Diocese which confirms students in high school, we offer a Sunday night class "CHOSEN" for high school Confirmation students at 6:30 PM in the youth room. Please join us if you are seeking Confirmation, and you are in high school.
