*"I rejoice when they said to me Let us go into the house of the Lord!" Psalm 122:1*

Dear Friends,

Preparations are underway for a wonderful celebration to dedicate our new St. Joseph Hall. I hope many of you will be able to join us on that occasion.

But, I recently enjoyed one of the most gratifying 'pre-dedications' of our new facility. Last week I headed toward our new building in hopes of finding signs of life. As I approached the St. Joseph Hall, I heard laughter and music and singing. The Vacation Bible School children (and teachers) were having a wonderful time, and our new hall resonated with the sounds of joy and praise! Clearly, the presence of the Lord is in this place!

I look forward to many more opportunities to share God's presence with you in our new space. For now, I hope that you are having a restful, relaxing, and restorative summer break.

In God's love and mercy,

Your Pastor,

Father Eric

## From Your New Welcome Coordinator

Hello! My name is Louise Thompson.

Being a part of the Parish Council is a privilege and I look forward to serving everyone at Our Lady of the Lake in this capacity for the next 3 years. When I came from Wisconsin and joined OLOL I also had this opportunity from 2004-09. I was a newcomer myself. I felt this was the best way to get to know others in the parish. The blessings I received were long lasting as are the friendships that resulted from reaching out to newcomers.

It is not necessary to be head of a committee do this. Every weekend we have that opportunity when we see visitors or newcomers stand at Father's invitation. If you have gone to a church where you knew no one remember how much even a smile meant. That smile or the words you share may bring you blessings you never dreamed of! Don't miss out on this weekly opportunity.

I would like to thank Rae Collier for her dedication to this ministry as she led the way the past six years. Her enthusiasm was contagious and many more joined the committee. We can never have enough "ministers of hospitality"!

If you feel like this is a ministry you would like to be more closely involved with, please contact me by phone, email or I would love to talk to you before the Sunday 11 AM Mass.

# Meet Your New Communications Chair

Louise and I did not get a chance to introduce ourselves in the last newsletter, so we would thought it would be nice to let you know who we are and encourage you to contact us with your questions or needs. We are the only two new members joining the parish council this round of elections, so you may be thinking, who are these people, and what are their plans for the parish?

You met Louise earlier in the newsletter, although most of you have already seen her smiling face around. So who am I? My name is Amanda Bibb. I am from White House... just a few miles away. I am a proud, lifelong Sumner Countian. I have one 7-year old 4-legged child named Butters the Chihuahua. Hobbies – I love reading, going to the movies, taking classes and travelling (my favorite places being St. Augustine, FL, and Boston, MA. Go Red Sox!). I also love the field of communication. I have a Masters Degree in Corporate Communication. I have worked as a web designer, public affairs assistant, and email marketer. I love it so much I was thrilled with this position came open.

I am new to Our Lady of the Lake. I joined as a member in September of 2014 when I entered the RCIA class. I entered the Church in April of 2015 which was the best decision of my life. My goal in joining the parish council is to create a communication network beneficial to parishioners and the community. Sumner and Robertson Counties are growing fast, and we need to reach out to newcomers who need a church home. We want to also create a network with other parishes in the diocese to learn from each and share information. We want to connect with community leaders and churches to keep our communities safe and welcoming. Finally and most importantly, we want to keep a network open to our parishioners, where they can have multiple sources of information on anything from nursery care to youth activities to group Bible studies.

How are we going to do that? Here are the short and sweet highlights of our plan.

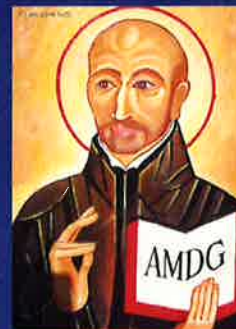

- ◆ New website!
- ◆ Mobile App!
- ◆ Facebook! ~ Available now at [www.facebook.com/OLCCTN](http://www.facebook.com/OLCCTN)
- ◆ Electronic Bulletin!
- ◆ Flocknote!

Since joining the committee I have been able to meet so many parishioners, and hopefully I can meet many more of you. You will notice me...I'm the girl with the tattoos. Do not be afraid to come up and say hi...especially if you have an awesome idea or something you want help getting the word out.

Many Blessings!

## Trivia Fact

**AMDG - All for the Greater Glory of God**

*One of my inspirations for joining the church was St. Ignatius of Loyola and the concepts of Ignatian Spirituality. Ignatius was called to serve the Lord while convalescing from a cannon ball wound. From then he took a vow of poverty and devoted his life to Christ. He founded the Society of Jesus, or the Jesuits, wrote the Spiritual Exercises, thousands of letters, and a detailed biography.*

*He believed that God could be found everywhere, even in the smallest blade of grass. He also encouraged dialogue with God creating a familiarity. This was what I had been looking for!*

*If you have not met St. Ignatius yet, give him a chance. You will not be disappointed.*

## Saints for July, August & September

*July 29 is the Feast Day of St. Martha, Patroness of Housewives, Waiters and Waitresses, (first century)*

"Yes, Lord, I have come to believe that you are the Christ, the Son of God, the one who is coming into the world." John 11:27

*August 14 is the Feast Day of St. Maximilian Mary Kolbe, Patron Saint of Addicts and Drug Addiction, (A.D. 1894-1941)*

"The essence of the love of God will always consist not in feeling good, not in remembering or thinking or understanding or imagining, but exclusively in fulfilling God's will at every moment of our lives and in submitting ourselves completely to this will." - St. Maximilian Kolbe

*September 13 is the Feast Day of St. John Chrysostom, Bishop and Doctor of the Church, Patron Saint of Orators, Preachers and Speakers, (A.D. 347-407)*

## Welcome Committee News

*by Emily Helms*

The OLOL Welcome Committee mission is to Welcome, Inform and Engage new members of the parish community. Members of the committee greet people at the doors of the church, provide information about the parish at the Welcome Desk in the narthex, send information to newcomers the first 12 months after someone joins the parish, promotes involvement in parish ministries and hosts three newcomer dinners each year.

If you are interested in joining this group, send an email to [ololwelcom-ingloulise@gmail.com](mailto:ololwelcom-ingloulise@gmail.com).

On April 21st the OLOL Welcome Committee hosted the first Newcomer Welcome Dinner for 2016. Several parish newcomers attended the event and enjoyed the evening getting to know each other, members of the Welcome Committee, and other church members. The children also enjoyed meeting each other and making crafts. Louise Thompson, Committee Chair, spoke to the group as well as representatives from some of the church ministries.

## Mission for St. Bertin in Haiti

*By Diane Huggins and Therese Casler*

As co-chairs of OLOL's mission for St. Bertin, we want to thank everyone for your faithful support for our twin parish in Haiti.

As you know, Haiti is a very poor country. It is the poorest country in the Western Hemisphere. The village of Petit Bourg de Port Margot where St. Bertin is located is also very poor. They cannot do much without our help. On behalf of the people of St. Bertin, thank you for your ongoing support for St. Bertin through the green envelopes and your support for our medical and dental missions, construction projects, and sea container shipments. You will be pleased to know that a portion of the money we send on a monthly basis is used to help for the poorest of the poor through COPEs, which is the St. Vincent de Paul Society ministry at St. Bertin.

Because of you, St. Bertin School is the best Catholic school in the region, and many children receive a very good education. Thanks to you, more than 600 students receive a Catholic education at St. Bertin School, and teachers are able to make a worthy wage, allowing them to support their families.

We are very excited that this year, St. Bertin will add a secondary school beginning with 7<sup>th</sup> grade. Parents are very happy that their children can now continue their education beyond the 6<sup>th</sup> grade. Marc Endy Saintil, former student of St. Bertin School, is the principal of the new secondary school. Marc Endy loves St. Bertin and has worked hard to open the new school for the 2016-2017 school year. He is very grateful to OLOL for making this dream come true for the children of St. Bertin.

We want to assure you that we work very hard to ensure accountability for the funds you donate for St. Bertin. We visit St. Bertin once or twice each year. In October, we will make our 20<sup>th</sup> trip. During every visit, we meet with Father Jean Baptist Geordani, pastor of St. Bertin, and the school administrators to review the use of the funds that we send for the operation of the church and school. We have a very thorough process for vetting requests for special projects. We are happy to help our poor brothers and sisters in Haiti; however, at the same time, we are committed to maximizing the investment made possible by your donations, making sure that these funds are used in ways that will yield the greatest impact and benefit to the St. Bertin parish community.

Once again, thanks for all you do to support the mission for St. Bertin in Haiti. If you ever have any questions, feel free to contact us – Diane Huggins at [dpuggins@comcast.net](mailto:dpuggins@comcast.net) or 615-476-2667, or Therese Casler at [theresecasler@gmail.com](mailto:theresecasler@gmail.com) or 615-519-1863.

"Here I am, Lord, send me; send me to the ends of the earth; send me to the rough, the savage pagans of the wilderness; send me from all that is called comfort in earth, or earthly comfort: send me to death itself, if it be but in Thy service and to promote Thy kingdom." - St. Frances Xavier, Patron Saint of Missionaries

## Our Lady of the Lake History

*By Emily Helms*

As we look forward to the future, we also need to look at the past to know how we got to where we are today. Recently I was working on a project for the Welcome Committee and found that we needed to gather historical documents, photos and stories to record the history of the parish. I am now in the very early stages of getting started.

At this time, I am asking for any items you may have that are related to the history of the parish. It may be photos, documents, pamphlets, brochures, newspaper stories or even parish cookbooks and pictorial directories.

The items will be scanned and used to present information on the website and hopefully prepare a book or newsletter for the parish 50th anniversary in November of 2019.

If you have information, questions, or would like to be part of this project, please contact Emily Helms by email at [emhelms@comcast.net](mailto:emhelms@comcast.net) or by phone at [615.265.8525](tel:615.265.8525).

## Adoration

*By Dick Emery*

Can You Spare One Hour to be with Jesus?

"Could you not stay awake just one hour with Me?" That is the question Jesus posed to Peter and the Apostles during his agony in the Garden of Gethsemane. Now he is asking it of you. Can you not spend just one hour a week with Jesus in our Adoration Devotion?

He is waiting for you in our Adoremus Chapel. He is present body and blood, soul and divinity in the sacred Host. There is a Bleeding Host enshrined in a church in Santarem, Portugal (from 1247). The DNA of Blood from this Host was tested and its DNA is an exact match to the DNA found in the Blood and Tissue of a similar Eucharistic Host in Lanciano, Italy. Both of these proved to be an exact match of samples of the Blood of Our Lord taken from Jesus' Burial Shroud of Turin.

If you would like to spend an hour a week in the real presence of Jesus, consider signing up for Eucharistic Adoration. Information is available on the signup table in the Narthex or call Dick Emery [615-714-6049](tel:615-714-6049), or Anna Schoch [615-944-5378](tel:615-944-5378)

## LOLO Women's Retreat

By Jane Rosentreter & Lynn Herman

Thirty ladies of the parish and guests enjoyed a day of relaxation and spiritual reflection on March 19, 2016 at the parish center. The theme of "Simplify Your Life" touched their hearts as they openly discussed what they wanted to get from the day. The ladies learned ways to simplify their lives, colored mandalas, made soul collages, participated in spiritual discussions, and had fun trying on funny hats and having their picture taken. There were also short lectures and open discussions about Simplifying Their Lives, Stress and Humor, and Meditation and Prayer. The day closed with a Native Indian ceremony of burning slips of paper on which they had written items that they would like to offer up to God and forget.

They even were one of the groups performing at the last show at the Ryman in Nashville. Some of the group, including the director, recently had a reunion the weekend of April 29th attended and performed at the 11am Sunday Mass on May 1st.

## Capital Campaign Update

*By Diane Huggins*

Our dream has come true and our prayers have been answered!! Our new facilities are complete and we are now enjoying our beautiful new space. Our parish community has more than doubled in size over the past 17 years since we built our existing facilities. And now, we have doubled the size of our parish facilities, adding 14 new classrooms/meeting rooms, our new multi-purpose room called St. Joseph Hall, and improved traffic flow/parking on our parish campus.

Photo Credit: Emily Helms

These new facilities will have a profound impact on our parish community for many years to come. We now have the space we need for worship, learning, faith formation, parish ministries, gatherings of our parish community and serving others into the future.

Of course, the successful completion of the Forward in Faith capital campaign is vitally important to the financial health of our parish. Managing the mortgage, the cost of new furnishings and the ongoing operating expenses of our new facilities depends on the continued prayers and support of our entire parish community.

We are making good progress in meeting our financial goals through the Forward in Faith campaign. We have received pledges from 1000 families for more than \$5.3 million, which means we are almost 90 percent of the way toward our \$6 million pledge goal. And, we have received more than \$3.3 million in donations, which means we are on track with pledge fulfillment.

For those of you who have not yet made a pledge or donation, please know that it is not too late. We need the support of every family and encourage you to consider a pledge or donation based on your ability to give.

Please plan to join us for the dedication of our new facilities on Monday, August 15, the Feast of the Assumption of Mary. We will begin the celebration with Mass at 6 p.m., followed by a ribbon cutting, the blessing and dedication and a reception. I hope everyone will join us for this very special celebration.

We can all be proud of what we have accomplished and look forward to celebrating together on August 15.

## Baptisms

Congratulations to all!
