

Dear Friends,

Last week, I walked into St. Joseph School in Madison with my friend Fr. John Baptiste. The sight of the freshly polished floors, the pristine condition of the school, and the smell of cleanliness in the air could only mean one thing: it's time for school to start! With the start of school each year, parish life returns to a busier and more active rhythm. I hope that all of you have enjoyed some time for vacation and relaxation this summer. Now it's time for us to get busy in the work of the Lord.

Soon our religious education classes will begin for our young parishioners. The education and formation of our young Catholics is of tremendous importance. In order to fully practice the faith, one must first have a strong foundation. We are blessed to have wonderful catechists who generously give of their time and talents so that we can provide an excellent catechetical program at Our Lady of the Lake. Catechists, we appreciate you and are so grateful for your service. We continue to need additional catechists to serve in this large faith community. You do not need to have a theology background or professional teaching experience to become a catechist. You need a loving heart and a willingness to serve and to share your faith with others. Please prayerfully consider becoming a catechist in our parish. If you are willing to serve, please contact Cyndi Sabatino in the church office.

Likewise, Fraternus and Fidelis begin another year together. These two ministries provide a wonderful opportunity for our young men and women to live a virtue inspired life, to foster a deep commitment to our Lord and His church, and to form great friendships that last for many years. Our adult leaders also find this ministry to deeply enrich their lives as they mentor and encourage our young people on their faith journey.

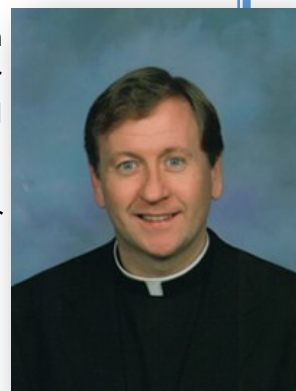

We are also looking forward to a new beginning of RCIA. This wonderful ministry seeks to serve those who wish to learn more about their faith and the opportunity to become Catholic. Sr. Maria and our RCIA team provide such a welcoming and loving environment for those considering becoming Catholic. One wonderful way to connect more fully with your faith is to serve as a sponsor for RCIA. Please contact Sr. Maria in the office for more information.

Also, our parish offers many opportunities for adult education and spiritual formation. Please watch for the upcoming classes, events and groups that we offer to our adults. If you have never participated in our adult programs, please consider doing so. This will enrich your life and will foster a greater connectedness to one another.

May God continue to richly bless us in our endeavors to serve Him and one another. And may our Blessed Mother pray for us that our lives may glorify the Lord.

In His love,

*Fr. Eric*

We hope you enjoy this issue of *The Parish Press*

Thank you to everyone who contributed articles, ideas, and pictures.

# OLOL Lake House

After a fun filled first year, OLOL's revitalized youth ministry, Lake House, returns for a second year with fresh energy and excitement for a new school year. Continuing upon last year's format, we look forward to welcoming back some of Nashville's wonderful Christian musicians and a few new friends. We will continue to attend Catholic Youth Office's SUMMIT nights at Church of the Assumption to foster relationships with other youth across the Diocese this year again as well.

Lake House has enjoyed a great summer break of fun, friendship and service. This past summer, we attended Catholic Heart Work Camp in Melbourne, Florida. Spending a week with a handful of other parishes from around the country, our youth served many of the various in need communities of Florida by painting houses, refurbishing facilities, packaging food, and much more. With a opportunities for reconciliation, adoration, worship, and a little fun too, our teens gave some of their summer vacation to show their faith in action. Come see what makes our youth so special and stop by the Lake House!

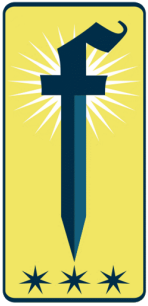

## Little Flowers Girl's Club

Little Flowers Girls' Club is a club for girls in grades K through 5<sup>th</sup>. This year we are *starting our 10<sup>th</sup>* year at OLOL! Little Flowers is a program whose goal is to provide young girls with an opportunity to gather and learn about their Catholic heritage, faith, and traditions. Each meeting the girls learn about the female saints: real role models for the virtues! We pray, discuss a virtue and saint, have "tea time", do a craft, and play games. The girls continue working on activities at home to earn a virtue patch, for each lesson. We meet only once a month, on a Monday evening, during the school year. We're excited to announce there is a new workbook available for the first time in years. We will be learning about new saints, including Saint Mother Teresa of Calcutta! Our meetings are fun! We need many female helpers, so each of our young girls can participate fully in all the activities. Our first meeting is

Monday, August 26 from 6:00 – 7:00 at OLOL in rooms 209/210. Parents need to stay for the entire meeting to register as we will have our new member Sash Ceremony. There is a \$20 supply fee for each girl. Please contact Tara Ludwig at 615-519-7765 or [taraludwig@bellsouth.net](mailto:taraludwig@bellsouth.net) with questions.

## Fraternus & Fidelis

FRATERNUS

Throughout the summer, Fraternus has been growing in virtue and brotherhood. At the beginning of the summer, Fraternus held its annual Accolade ceremony which featured the largest knight- ing ceremony in our chapter's history. While previous years have seen only one or two brothers knighted, this year we had an astonishing SEVEN members of Fraternus knighted! Three brothers and four captains achieved this rank by completing challenges and spending lent in sacrifice and deep pray- er. Congratulations to brothers Evan Russelberg, Henry Sanchez, and Hezekiah Sunshine along with captains Anthony Dana, Paul Dana, Danny Snyder, and Richard Russelberg! Thank you to all of our knights for your service and example to our Fraternus chapter!

More recently, our brothers journeyed to Ranch, a Fraternus retreat held each summer. The brothers spent the week playing hard and growing closer to God. They went white water rafting, enjoyed time hiking through beautiful hills and valleys, and spent time in prayer. There's not a better way to spend your summer, so we hope to see all our brothers back at Ranch next year!

Finally, our weekly Frat Nights begin again on Monday, August 5 from 6:15-8:30 p.m. There is food, fun, and brotherhood. Anyone sixth grade and older are welcome (dads too)! Come join Fraternus!

## Why I loved Fidelis Camp "Inspire"

by Abby Joubert

I did not know what to expect from Fidelis Inspire. It was five amazing days of prayer, reflection, and fun. My two favorite things were Adoration and White-water Rafting. Adoration is always a true privilege, but I often let life get in the way. I don't do it nearly enough. I had never been White-water Rafting before, and now I don't know why it took me so long! Oh, and I have to mention 7 AM Mass, outdoors with the sunrise behind the priest. That was an experience I will never forget! In the time I was at camp, I have grown in my faith and my self-confidence, just like the young ladies Fidelis is geared toward. It was a great experience.

## Religious Education

***"But Jesus called the children to him and said, 'Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these.' -Luke 18:16***

Greetings parents and families! Welcome aboard another great year at Our Lady of the Lake and the Religious Education Program. We are here to serve you and your children, and we will do our very best to make the Religious Education of our parish family a meaningful priority. We ask for families to make an equal promise of priority! We will work very hard to assure that at the end of each year, students have learned more, loved more, and deepened their friendship with Jesus, and hopefully be inspired to continue with faith formation for the rest of their lives!

Please welcome to our parish staff and the Religious Education Program, Michelle Lydon and Cherie Phillips. Michelle will be available on Sundays and Wednesday evenings to assist you in any way, and Cherie will be available during the week to assist you.

- ♦ Classes for Pre-School, age three by Sept. 8<sup>th</sup>, 2019 (children must be potty trained)-5<sup>th</sup> grade will be held on Sunday mornings from 9:40 a.m.-10:50 a.m.
- ♦ Classes for 6<sup>th</sup>-8<sup>th</sup> grade will be held on Wednesday evenings from 6:15 p.m.-7:45 p.m. Students will attend a youth Mass the first Wednesday of the month. Parents are encouraged to attend the Mass.

All students seeking sacraments should complete at least two years of Religious Education prior to the sacramental year to be fully prepared. Students preparing to receive the sacrament of First Communion and Confirmation are required to attend class weekly. More than five absences will likely result in delay of the sacrament. Thank you for the blessings you bring to our parish and our program.

## Fraternus & Fidelis Banquet

Our Lady of the Lake is blessed with both a Fraternus Chapter for our young men and a Fidelis chapter for our young ladies. Your help is needed on Monday, September 9, when friends of our youth will gather in the St. Joseph Hall for the 10<sup>th</sup> annual Fraternus/Fidelis banquet. The goal is \$50,000 to fund both programs. Please consider supporting our mission to walk with young men and women in their journey of faith with God by attending the dinner and supporting our ministry financially. You will enjoy a wonderful meal and hear testimonies about the difference the Fraternus and Fidelis Chapters are making in young lives.

The annual banquet helps us send teens to Fraternus Ranch and Fidelis Inspire Camp. Here is your chance to make a difference in the lives of our young Catholics, who are up against a negative culture, which at the very least mocks their faith as unscientific superstition. You have heard it said that all the devil needs to do is to convince people that he is not real. Too many are already convinced, but as the Body of Christ, we can change this. We cannot do it without your financial support.

The list of table sponsors is below. Please contact one and let us know that you will join us on September 9<sup>th</sup>.

## Quilt Ministry

We invite anyone that is curious about quilting. We will gladly share our knowledge and are more than happy to teach anyone that might be interested. We currently meet on the second Thursday of each month in Room 202, from 10:00 - 2:00. As of this date we have distributed 52 quilts. It has been such a joyful and humbling blessing to provide a small comfort to those struggling. If you have any questions, please call Donna Kobza at (615)382-2299 or Paula Weller at (615) 417-1879.

## Knights of Columbus

Based on our presence in the Narthex prior to Masses selling Christmas Cards, Thanksgiving Turkeys, tickets to events, etc., you might think all we do is raise money. The money we do raise goes right back into our community in the form of charitable donations to charities or ministries too numerous to mention here. Some are Fraternus, Fidelis, Coats for Kids, Crisis Pregnancy Center, etc. Our charity isn't always a donation of money, in the last two years our council has also donated more than 55,000 service hours to the above listed and many more charities or projects involving our Parish. Council 9132 is the largest and most active in the state of TN, which means we always have a lot going on and welcome new members wholeheartedly. We just hosted our annual BRASS bike ride in July and our annual Golf Tournament in August. There is time for you to get involved!

*Love one

## Golden Guys & Gals

Golden Guys and Gals continues to grow and wants to welcome our newest members: Patti Carleton, Chris Fenton, Sole and Richard Gonzalez, Michelle Hamm, Ken and Martha Holda, Judy Jackson, and Kathy and Bill Sherman.

Our group went to Ethridge, TN, the home of an Amish community. We had to take the trip twice because so many wanted to experience their lifestyle. We took a mystery trip to Nashville's Song Writer's Hall of Fame and Varallo's Restaurant founded in 1908 and famous for its chili. Everyone had a good time.

One of our favorite activities is eating out for lunch. We lunched at Sweeny Swift's, Jumbo and Delicious, and First Watch. We also enjoy seeing movies or playing games at our church. Of course, snacks are always a part of these activities. Golden Guys and Gals is planning ahead for 2020. We are looking at trips to the Creation Museum and the Ark in May. In October, we are thinking about San Antonio. Our trips are open to all adults.

Since we like to be active, we are always open to new activities, new ideas and new members. You can join us at any time. For information, contact Kandie G'Francisco at (615) 420 0029.

## Seven Sisters of the Apostolate

In July, the Seven Sisters of the Apostolate hosted Father Luckas for lunch. The purpose was to introduce him to the seven ladies who had been praying for him this year. The apostolate had been formed shortly after he left for his assignment in India. Two other apostolates also exist in our parish; one for Father Eric and one for Father Thomas. There are many all over the country.

The Seven Sisters of the Apostolate is a ministry of prayer for our pastors. The coordinator for the Nashville Diocese is one of our own parishioners, Rosemary Geiger. Seven Sisters is about seven women who choose one day a week to spend one hour in adoration praying for the priest. You can choose any hour of that day, but it must be the same day each week. There are no meetings to attend.

Father Luckas is a former associate pastor of OLOL. Father Luckas' order is the Missionaries of St. Francis De Sales. This order established a mission in Tamil Nadu, in southern India. Desiring to obey the local MSFS Superior, Father accepted his request to come care for the Catholics that needed a pastor. Father says life there is challenging. It gets very hot and dusty, to which he has an allergy. Then comes the monsoon season, and there are cyclones. Water, food, and medical services are scarce. The people are very poor. Soon after arriving, Father had a well dug for water. A pump and filter were also needed. For medical care for his people he travels to a nearby town to hire a doctor or nurse if he has the funds. He is two hours from the nearest hospital. He hopes to buy a van to help transport the sick and elderly for medical care as well as for gathering them for Mass. Father serves five missions with different numbers of families in each one. He travels between them on a motorcycle, some taking 35 minutes or more from one to another. He also helps a primary school with an orphanage. To stay in touch with Father Luckas, email [fatherluckas@gmail.com](mailto:fatherluckas@gmail.com).

Father Luckas's apostolate currently needs two sisters, and we also need substitutes for the sisters when they can't come. Men can substitute. Please call Patty Bolger 615.264.3129 for more information. For information regarding Fr. Eric's apostolate, call Rosemary Geiger, 760.505.6625, and for Fr. Thomas's, call Elsa Ehinger 615.338.3911.

The Spirit of the LORD will rest on him - the Spirit of wisdom and of understanding, the Spirit of counsel and of power, the Spirit of knowledge and of the fear of the LORD

## Grief Support Group

## Evangelization

**“Christ yesterday, today and forever.” Hebrews 8:13**

Evangelization is truly an ongoing process in which we daily renew our personal transition and often a metamorphosis in which we truly allow Christ to be the center of our lives. This process very much brings us to our higher self, so to speak, as we continue to unite with our whole person which includes our mind, our body, and our soul in the pursuit of holiness. Sure we are all “rough around the edges” which often includes the many wounds of life, and yet we are called to continue our journey in life to become the best, the most unique individual who is spiritually retooled by the Potter, Jesus Christ himself, because we are the clay, we were created as such.

When evangelist Matthew Kelly visited us a few years ago, he challenged us to become the best representation of our self because this would be our great quest for our unique holiness which we all are called to become and this is the best representation of Christ in our world. Yes we reach for the best within ourselves we truly mimic Jesus Christ and we often become the only Christ that so many people in our world will ever encounter.

In the mid-70s I had the opportunity of learning from a great person, teacher and mentor Og Mandino shared with us his most tragic life leading up to his transformation which ultimately placed him as one of the great writers of our time. He is best recognized as the author of the Greatest Salesman in the World which continues to be number two in print right behind the Bible itself. I have had the opportunity of reading most of his writings and I must admit I am probably most moved by the smallest book I’ve ever read entitled, “God’s Memorandum”. This book may very well appear to be so simple and yet so profound, as well as humbling as it invites us to enter into an understanding about ourselves and God’s master plan for all creation. As one reads this profound book of how to become spiritually retooled so that each of us continues to pursue our holiness as our personal quest and simultaneously share with all we encounter the present (gift) of the risen Christ always which is always cognizant in our minds, in our lives, and in our hearts. The spiritual energy within each of us becomes intense as we pursue our holiness and thereby share in the spirit of Christ in a very special way so that we become mindful of Christ and filled with enthusiasm (Greek meaning “God within”) as we do this we become authentic and transparent with the spirit of honesty, responsibility, integrity, courage, and persistence. The gift of Evangelization is first on our own evangelization of ourselves and the only way that we can continue to grow in evangelization is to share it with others as we were instructed by the most recent popes all of whom emphatically stated that the most important work that we have in our church is Evangelization. The great theologian, scientist, evangelist and teacher Teilhard de Chardin shares with us his perception of evangelization as he states: “may the Lord preserves in us all a passionate zest for the world, much gentleness, and may he help us be more fully human to the end.” These inspiring words become our Mantra as we evangelize to all the risen Christ

*But you, keep your head in all situations, endure hardship, do the work of an evangelist, discharge all the duties of your ministry.*

2 Timothy 4:5

Submitted by Parish  
Council Member, Dr.  
Tim Lynch

*The entire mission of the Church, then, is concentrated and manifested in evangelization.”*

## Fall Season of Stewardship

ATTEND GROW

# Stewardship

RECOGNIZING GOD'S GIFTS &  
GIVING BACK IN GRATITUDE

Summer days are ending but we anticipate new beginnings. Fall is a time for harvest. We can harvest the bountiful giving of God by mirroring His giving. We will be hearing Gospel stories of how we should give open handedly to the poor and needy and how we will be held accountable for how we used God's gifts to serve the Lord and our neighbor.

As with most passages of time, there is transformation. For some adults, it will be a desire to learn more about the Catholic Church and preparation to be received into the Church through our RICA program. For children, it will be starting or continuing their education and sacramental preparation through our Religious Education program.

To harvest your gifts, such as time, talent or treasure, we have so many fellowship, evangelization, education, worship, social action, welcoming and family life ministries for you to join. A list is in the hallway rack. Consider becoming a catechist or an RCIA sponsor. Many of our youth programs need adult mentors. We have ministries to serve the poor and needy, such as St. Vincent de Paul Society, Room-in-the-Inn, OLOL food pantry and our aid to our twin parish in Haiti. These are just a few examples.

Jesus tells us it does not matter who we are, where we live or how much we have gained on earth. What matters is that we see everything that we own is really a gift from God and as good stewards, we strive to use those gifts accordingly.

# Mission for St. Bertin in Haiti

We exceeded our  
goal of \$55k!  
Praise be to God!

***"It's not how much we give but how much love we put into giving."***  
— Mother Teresa

The annual fundraiser for the school at St. Bertin, our twin parish in Haiti, began this past July. Our goal was to raise \$55,000 this summer for the 2019-2020 school year and we exceed it. Thanks to the faithful and generous support of OLOL parishioners during last year's fundraiser, 750 students received a quality education at St. Bertin preschool, primary and secondary schools during the 2018-2019 school year. Also, our financial support made it possible for us to give the teachers a much-needed increase in wages and keep tuition at an affordable rate for parents.

The current socio-political crisis in Haiti reminds us that education is a vital priority. As you may know, Haiti is in a state of ongoing demonstrations and violence. Tens of thousands of people have taken to the streets to protest widespread government corruption, economic mismanagement and human rights abuses. The national economy is deteriorating rapidly. The value of the Haitian Gourde against the US dollar continues to decline at the same time the rate of inflation is skyrocketing. These developments have taken a significant toll on impoverished rural communities, like Petit Bourg de Port Margot where St. Bertin is located. Ensuring quality education for the next generation is the greatest opportunity to invest in positive, systematic change for the future. By providing a quality education for the children of St. Bertin, we will empower them to improve the quality of life in Haiti and build hope for the future. Your continued prayers and support can and will make a real difference!

If you haven't done so already, please consider making a donation for St. Bertin School. For more information, contact Diane Huggins at [dphuggins@comcast.net](mailto:dphuggins@comcast.net) or 615-476-2667.

## Cursillo

Fall Cursillo weekends are almost here. Weekends start on Thursday evening and end Sunday evening at Camp Marymount in Fairview, TN. There is no way to describe the effect a Cursillo experience can have on your life. Your environment, whether home, school, work or your parish will be greatly enhanced by your renewed joy and love of Christ. After the weekend you continue to be encouraged to live a Christian life by involvement in a small group that meets with the purpose of strengthening each other to bring Christ into the lives of all they come in contact with. Watch the narthex for more information and weekend applications. You will need a sponsor to attend the weekend. We can help you find a sponsor if you have not already been approached by a Cursillista.

**Fall (English) 2019:** Men's September 12-15, Women's September 26-29

**Fall (Spanish) 2019:** Men's October 10-13, Women's October 24-27

Our next OLOL Ultreya is scheduled for the second Tuesday October. All cursillistas are welcome!! To learn more about this exciting ministry, please contact Helen Rupert, OLOL Coordinator to the diocesan Cursillo, at [hrupert1@live.com](mailto:hrupert1@live.com) or 615-712-4292.
